5th July 2024

23/24 – 37

It's Official – Triangle's GOT Talent!

I hope many of you enjoyed the PTFA's Summer event recently. I have had numerous comments about what a lovely evening it was. Lots of fun to be had and stalls to have a go at. Of course, the highlight was the brilliant acts that entertained us all. Magic, martial arts, singing, dancing – the list goes on – a real variety performance. I am sure that you all had a standout act or two, but for me it was the range of talents and abilities on display, that came together to make a memorable show. Many thanks to all the acts, the people who helped and everyone who attended.

Transition Morning

Today, all children have spent a morning in their new classes, meeting their new teachers and other adults. Here we have our 'new Y5s' working together on some team building challenges. There was some excellent communication as they looked to cross the playground on the stepping-stones. We also have some of our 'new Y2' children posing with their locker artwork alongside Miss Todd and Mrs Turkmen. Here at Triangle, we believe a thorough transition process is invaluable in ensuring that our children get off to the best possible start in September, which is why we always offer above and beyond the 'typical' single transition event that most schools offer. Next week, the children will get to spend a further morning and afternoon in their new classes.

New Reception Stay and Play

It's not just our current pupils that have been busy meeting their new teachers, we have also had next year's Reception class come to spend some time in school.

As you can see from the photos, they have had lots of fun being creative and exploring their new surroundings.

Art Groups Visit Bankfield Exhibition

After local artist Kate Lycett spent time at Triangle recently, we decided to take some children to Bankfield Museum to see her new exhibition 'Engineers and Chocolatiers'. The exhibition has a range of paintings that celebrate the landscapes, townscapes and history of the area. Children enjoyed looking at the exhibition, as well as having a little time to explore a bit more of the museum. The exhibition is on until December, so why not get yourselves along to take a look at the work on display.

Y3/4 Football Match

On Thursday, a small group of children from our Y3/4 classes represented Triangle in a 'round robin' football event organised by the Pennine Sports Association. Triangle played some excellent football throughout, scored some great goals and worked really well as a team. Both games that we played ended in Triangle winning 3-1 (against both Holy Trinity and St James' respectively). Thanks to all the parents who came to watch and a special mention to Si Carter- one of our parents- for stepping in at the last minute and refereeing the games.

New Playground Developments Proving Popular

It is great to see the re-developed quiet area being well used by the children at play and dinner times. The gardening club have done some extra planting and the sail canopies are providing both shelter and shade.

I would like to thank A N Agricultural Services for their advice and assistance with the project and to A D Plastics Solutions Ltd for the kind and generous donation of the new picnic bench.

Thanks also must go to the PTFA, who have donated a significant amount of the cost of the developments.

Sports Day Plans

You may recall that our original date for sports day was rained off. The next date we have to hold it is next Tuesday.

The juniors will have their events in the morning, beginning at 10 o'clock on the school field. The infants will have their turn at 1.30. Spectators are welcome, but we ask that you keep to the outside of the running track and do not bring your child drinks or snacks. Just leave the children to us!

The weather forecast is again looking to be against us at the moment. The field needs to be dry with little/no prospect of rain and the current predictions look decidedly damp! I will make the decision on Monday if the outlook is still wet.

Fingers crossed everyone!

Rotakids Sign Out with an Arty Way to Support the RSPCA

Today was the deadline for children to enter an art competition organized by the Rotakids. Children were invited to create a picture of their favourite animal, with all entry fees going to the local RSPCA in Halifax.

There were a good number of entrants, with winners all receiving a medal. Here's the Class 3 winners proudly displaying their artwork.

Triangle Goes to the Ballot Boxes

Yesterday, the children of Triangle all had a chance to vote in our own (pretend) election. There were three political parties to choose from:

The People's Party – 'For the many, not the few.'

The No-nonsense Party – 'Let's look after our own.'

The Our Earth Party – 'Our Planet is Our Priority.'

Each party had a short manifesto for children to compare, before they all cast their vote for the party of their choice. Here's the results:

The People's Party – 51%

The No-nonsense Party – 5%

The Our Earth Party – 44%

So, I duly elect the People's Party as the new Government for Triangle C of E Primary. Let's see if they can deliver all that they promised!!

As you can see, Reception Class took it very seriously, with a voting booth to put a cross next to their favourite party and a ballot box to cast their votes in.

This week's Achievement goes to

Stars of the Week:

Class R: Aisha, Bobby

Class 3: Elliot

Class 1: Robyn

Class 4: Cooper, Sophia

Class 2: Sienna A

Class 5: Beatrice

Writers of the Week:

Class R: Blaise, Elsa

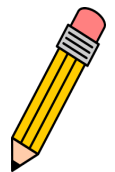

Class 3: Noah

Class 5: Ted

Class 1: Jack

Class 4: Jacob, William G, Zihao, Phoebe

Class 2: Bobbie

Vision Ambassador: Robyn, Class 1, for showing great compassion towards others.

Courage Award: Bella Class 4.
