

# CLASS 3'S

## NEWSLETTER

### Welcome back!

I really enjoyed the first couple of days with the children and I can't wait to celebrate all their achievements this year. I hope the children are feeling a little more settled in their new class. I am always here if you have any questions or need any support. **Our class values: having fun, being kind & trying our best!**

#### English

Our focus for this half term is going to be ensuring we have the basics secure. This included capital letters, full stops and handwriting. We are also going to be looking at nouns, verbs and sentence structure.

#### R.E.

Our topic is called 'people of God.' We will find out about the story of Noah and how his covenant with God is important for Christians.

#### French

Bonjour ca va? Our topic is all about 'getting to know you'. Children will learn some basic conversation, such as 'how are you?', 'I am ... years old'.

#### P.E.

Children will be focusing on their balancing and footwork skills. They will also learn about challenging themselves and how to persevere.

#### Maths

Counting will be a big part of our maths lessons to ensure children have a good understanding of numbers up to 100. We will then look at place value moving onto the hundreds. Addition and subtraction will be next, where we will begin to use more formal methods. Don't worry we will still be using lots of resources!

#### Science

Fantastic forces! The children will learn all about different forces. They will experiment with friction and how it works. They will also find out about magnets and how they work.

#### Music

Children learn what ballads are, how to identify their features and how to convey different emotions when performing them.

#### Art

We have linked history to our art this half term. We will be looking at stone age art and using this as our inspiration to create our own cave paintings.

#### History

We will be stomping through the ages from the Stone Age all the way to the Iron Age. Children will be exploring key aspects such as prehistory, artefacts and changes over time.

**Reminders:** P.E. day are Monday & Thursday  
Book changing days are Monday & Thursday
