

TRIANGLE CE PRIMARY SCHOOL

WEEKLY NEWSLETTER

Issue 5-
04.10

What's coming up next week?

W/C- 7th October

Mon

- PTFA AGM in school (7:15pm) - all welcome

Thurs

- X Country Event at Ryburn - selected children from Years 3-6.

Fri:

- Celebration Assembly - 9am (all welcome)

Interhouse X Country

Our first interhouse event of the year took place on Thursday, with X Country coming to the fore. Organised by our Sports Council and Miss Todd, all the children in the school gave it their all as they looked to do their bit for their house team. Each pupil who ran and completed the course earned a point for their team with runners finishing in the top 5 earning bonus points.

WINNER

- 1st Place - **Egyptians**
- 2nd Place - **Vikings**
- 3rd Place - **Victorians**
- 4th Place - **Tudors**

Well done to our Egyptians who retain the trophy from last year.

For those children who finished in the top 5 from Years 3-6, they will shortly receive a letter inviting them to the next stage of competition at Ryburn on Thursday 10th October.

The PTFA Need You

Our fantastic PTFA is always working hard to enrich our school experience, but they can't do it alone!

Due to a number of members moving on last year, it is possible that without your help, our PTFA will not be able to run this year. This means the school will miss out on the vital funds that the PTFA generate and will impact on some of the wider opportunities we are able to offer all our children.

What help do we need?

We're in need of more volunteers to help with various events and activities throughout the year. The great thing is, you don't need to commit to every meeting or event. Whether you can offer an hour here or there, help behind the scenes, or lend a hand at just one event, it all counts! Your involvement, big or small, can make a real difference to our children and our school. Please consider joining in and supporting our PTFA in whatever way works for you. Let's work together to create more memorable experiences for our children!

How can I help?

Please attend our AGM in school on Monday 7th October at 7:15pm to find out more. There's no need to let us know you're coming - just turn up on the evening.

If you want to get involved, but cannot be here in person, please let me know and I will share a Zoom link with you so you can still attend. School budgets across the country, as you will have heard, are already tight and we are no different- the funds generated by the PTFA are vital to our school.

I hope to see some of you on Monday!

Tempest Photography

Have you ordered your school photos yet? A polite reminder that the closing date for free delivery back to school is Thursday 10th October 2024. Order through the Tempest website using your unique link or visit www.tempest-orders.co.uk
If you need any assistance in ordering your photos, feel free to contact Tempest on 01736 751555 (option 3).

Sensory Oral Chews and Fidget Toys

At Triangle, we have a number of pupils who utilise sensory resources during the school day. These may form a key aspect of their targeted provision and have been recommended by health and / or educational professionals. It is however becoming increasingly apparent that a number of pupils are bringing in chews and toys from home that do not adhere to key health and safety measures, with some proving to be an actual choking hazard. We are therefore kindly requesting that you refrain from allowing your child to bring in any such items. As a school we have a wide range of resources on site that we distribute to pupils when recommendations suggest these will have a positive impact on their engagement and access to education. These are specifically designed for this purpose as well as being safe, easy to clean and minimise disruption within the classroom environment. We appreciate your understanding and cooperation in this matter. If you have any questions or queries, please get in contact with Miss Steele, our Inclusion Manager.

Communication

Even though you will have seen us become more active on social media recently, Class Dojo remains our main method of communication with families. We have received some lovely feedback this week from a parent about how they feel dojo helps to keep them updated with what is happening in school - this has been lovely to hear.

One of Class Dojo's features is the messaging tool, which allows home to communicate with school and vice versa. It is great to send quick messages across to school, but if your matter is urgent or references something the teacher needs to know for that day, a phone call / email to the office should be made. Whilst teachers do routinely check their messages, their focus during the school day is on teaching, as I am sure you will understand. Therefore, please do not expect an 'instant' message back - this also applies to evenings and weekends.

Facebook- Are you following us?

Our Facebook page has been given a makeover, so if you are not yet following us, make sure to login and check us out! We are posting regularly through the week, with pictures and videos shared to give you a look 'behind the scenes' of our wonderful school.
