Weds

- Y4 Anglo Saxon/Viking Workshop

Thurs

- Harvest Festival in Church - 1:30pm start.

Fri

- Celebration Assembly - 9am - all welcome
- Break up for half-term

What a week for our Y1 children

Year 1 went on not one, but two trips this week! Their second trip saw them visit Abbey House Museum in Leeds to enhance their history topic all about toys. Here's what a couple of our children had to say about their visit:

Aisha - I liked the rocking horse, it had a seat and wheels.

Joanie - I liked the toy carousel which is a toy from the past. It was very pretty.

Elliott - I drew a racing car. Did you know the museum used to be a house during Victorian times? It was over 100 years old!

I look forward to seeing how their trip inspires their future work.

Forest Schools Begins

Monday saw our Forest Schools programme start, with Y1 visiting Cherry Tree Adventures here in Sowerby Bridge. The children had a great time exploring the site, identifying different plants they could see as well as being creative in the different areas. I think the rope swing was the most popular. They then ended the session sat around the fire toasting marshmallows. Y1 will have a further 8 sessions this year and I know Miss Mills and Kit have already been speaking and planning their next sessions.

Once again, thank you to all the parents who have supported these visits and providing voluntary donations - without these we would struggle to provide as many opportunities as we do for our pupils.

Y5 Visit to Manchester Museum

On Thursday, it was the turn of Year 5 to use our minibuses as they went off to Manchester Museum. The aim of this visit was to enrich their history topic all about the Ancient Egyptians. The children took part in a workshop led by a curator from the museum before having a tour of the museum.

I interviewed Qifu, Romy and Zihao who had the following things to say:

'Some of the artefacts were over 4500 years old. We even saw a real mummified body that had been brought to the museum by an archaeologist.'

'I really liked the afternoon when we got time to look around the museum - there was a T-Rex bone - it was massive! There was also lots of fossils of ancient creatures and statues of people from the past.'

'I also really liked the part of the museum that had living endangered animals in. I learned that these animals would be released into the wild once they are older.'

Phonics workshop is a great success

On Monday morning, Mrs. Quirolo and the Reception Team hosted an interactive phonics workshop for the families of our Reception students. Parents had the unique opportunity to observe a full phonics lesson in action, supporting their children as they transitioned into writing practice in their individual workbooks. The session wrapped up with a special time for parents and children to play and learn together.

At Triangle, we take great pride in fostering strong family connections, and this event was a perfect example of that commitment. Mrs. Quirolo already has plans to invite Reception parents to participate in more activities throughout the year, ensuring you all remain involved in your child's learning journey.

In addition, Mrs. Quirolo and I are actively discussing how we can extend these valuable family-school connections beyond Reception and throughout the entire school. We recognise the importance of strong partnerships between home and school, and we are committed to building on this foundation as students progress through their education.

Once we have confirmed dates and further details about future workshops, we will communicate them to you all via the school newsletter. We will make sure to provide adequate notice to give you all an opportunity to attend.

Vision Ambassador Award

Each week, our staff are busy trying to spot children who are living out the school vision of: 'Stand firm in the faith. Be courageous; be strong; do everything in love'. This might be seen in children interacting with each other nicely; resolving conflicts in a mature way; being brave and courageous in lessons; or generally going above and beyond to make someone feel welcome, looked after or loved. Each time this is seen, children are awarded a raffle ticket to place in a box, with one/two tickets being drawn at random in assembly each week.

As next week is our final week of the half-term, the children who have been drawn out of our rather sparkly hat, will participate in an extra-special treat with Mr Allen. Well done to: Lucy, Holly, Arthur & Bobby (all Y6), Blossom (Y3), Fynn (YR) and Alfie & Harry (both Y2). The treat this half-term will take place next Friday and will involve something sweet and chocolatey. Parents of the above children - I will be in touch next week to take your child's order!

Let's Support Overgate Hospice

Just a reminder to you all to try and bring in donations of small, silver coins (5p, 10p, 20p) to support St Peter's Church in raising money for Overgate Hospice. Your children will have come home with a small change envelope today - you may send your donations back in this. This fundraising effort is instead of donating cans/tins/packets of food.

Online Forms - Remember to submit before the deadline

Today, you will have received two emails containing links to an online form. The first one is regarding collection arrangements after our Harvest Festival on Thursday and the second one is the sign-up sheet for clubs for Autumn Term 2.

Please read all the information on the forms carefully before submitting your responses. **Both online forms will close at 1pm on Wednesday 23rd October.**

WHATS ON THIS OCTOBER
