Sat

- Ripponden Christmas Markets - Choir Performing

Diocesan Advisor Visit

We were delighted to welcome Rupert Madeley, our diocese adviser, to work with our staff team. Rupert shared valuable insights into the SIAMS framework and introduced creative approaches to teaching R.E., inspiring new and engaging ways to bring learning to life. It was a fantastic opportunity for our team to grow and develop, ensuring we continue to provide a rich and meaningful Religious Education for all our children.

Supporting the Lighthouse Project: Spreading Love This Christmas

This year, our PTFA has chosen to support the Lighthouse Project, a cause that beautifully reflects our school vision of 'Do everything in love.'

The Lighthouse Project, based in Calderdale, is dedicated to ensuring that hundreds of disadvantaged children across the borough have a gift to open on Christmas Day. While we all wish there were no need for such initiatives, the reality is that many families in our community need extra support, and together, we can make a difference.

We began with 60 tags on our Christmas tree, each representing a child in need. Thanks to your incredible generosity, only a handful remain! If you'd like to take part, it's simple:

- Select a tag from the tree.
- Purchase a present for the child.
- Return the gift to school no later than Thursday, 5th December.

Thank you for your continued kindness and support as we work together to brighten Christmas for children in our community.

Our Vision....Explained

This week, I want to take a moment to reflect on our school vision, which has been at the heart of our community since its introduction in 2021.

For some, our vision may simply be the words you see at the bottom of our newsletters or hear the children recite during Celebration Worship on Fridays. But for us, it is so much more. Over the past four years, these guiding principles have become woven into every aspect of our school life:

"Stand firm in the faith; be courageous; be strong; do everything in love."

These words are not just a motto; they shape who we are as a school.

Breaking Down Our Vision

"Stand firm in the faith": This reminds us of the importance of holding onto our core values and beliefs, even when faced with challenges. For our school, it speaks to nurturing faith in God and teaching children to be steadfast in their moral and ethical choices. It's about creating a community that stands united in its commitment to kindness, respect and compassion.

"Be courageous; be strong": These words encourage us to face life's challenges with courage and resilience. As a school, we strive to instill these qualities in our children - teaching them to persevere, stand up for what is right and grow in confidence, whether academically, socially, or spiritually.

"Do everything in love": This is the heart of our vision and the essence of the Christian message. Love is the foundation of how we treat others and interact as a community. For us, this means fostering an environment where kindness, respect and compassion guide every action, from our teaching and learning to our relationships with one another.

A Vision for All

While our vision is rooted in Christian theology, its values—faith, courage, strength and love - are universal. They provide a framework for how we nurture children, work as a team and engage with families and the wider community. It calls on all of us to act with integrity and care, creating a culture where every individual is valued and supported.

At this time of year, as we prepare for Christmas and reflect on the message of love and hope that it brings, our vision is a timely reminder of the way we are called to live and work together.

Whether through small acts of kindness or courageous choices, this vision inspires us to make a positive difference in the lives of others, every single day.
