### The Triangle Way - What does it mean?

This week marks the launch of "The Triangle Way," a streamlined and refreshed set of school rules and routines. As noted in the newsletter prior to Christmas, we will support the children in learning these new guidelines throughout this half-term.

We are implementing this initiative in two primary ways: first, by eliminating all individual class rules in favour of a concise set of school-wide rules that we expect all students to adhere to, regardless of their location within the school. Second, we are concentrating on a limited number of rules and routines each week to prevent overwhelming the children.

This week, our focus has been on the concept of being "Ready to Learn," which aligns with our "Gold" Standard. I will include our behaviour curriculum in an upcoming newsletter for your review.

### New Reception Intake September 2025

The deadline for families to apply for a primary school place for September 2025 is Wednesday, January 15th. If you are a parent with a child set to start at Triangle in September, please ensure your application is submitted on time. Additionally, if you know any families contemplating Triangle School for their child, kindly pass this information along. You can find the link to the admissions portal here:

#### The GOLD Standard

- ★ Give your attention by tracking the speaker
- ★ Open posture
- ★ Listen respectfully without interrupting
- ★ Determination. Don't give up!

## SEND Workshop

On 15th January, school will be hosting another parent workshop, this time with the focus being all things sensory. We are very fortunate to have a private occupational therapist leading the session who will share information on their role, common difficulties some children face in and out of school relating to sensory needs and they will share some practical activities and games to support development. There will also be opportunities to ask any questions that you may have.

If you would like to attend, please complete the online form, link below:

## Wet Playtime Equipment

With the children stuck indoors this week during break and lunchtime, it hit me—we're in a bit of a game drought! If you're on a mission to declutter, maybe thanks to Santa's sleigh dropping off shiny new games, we would absolutely love to take those old board and dice games off your hands! If you've got some dusty gems hiding at home that are just begging for a new adventure, swing by the office and drop them off whenever you can. We promise the children will be over the moon with your generosity!

# Diary Dates

Please find an updated 'dates for your diary' page. As ever, all events are subject to change, but we will try to do this as early as possible and communicate this to you as soon as we can.
